

# FINDING THE CARD NUMBER ON OLDER VICTORIAN DRIVER LICENCES

Older Victorian driver licences don't display the card number in an obvious place. **When scanning these licences, you'll need to locate them manually.**

## 1. WHERE TO FIND IT?

On older Victorian licences, the card number is **printed in small text on the back of the card, located to the bottom right of the driver's birth year.**

If the cardholder **has a change-of-address sticker** on the back of their licence, the **card number may also appear there.**

## 2. CAN'T READ THE TEXT?

The **print is small**; here's a quick way to read it:

1. Ask the patron to take a **close-up photo of the back of their licence**
  2. Zoom in on the photo to **read the card number**
  3. Remind them to **delete the photo once they're done**
- OR.** Ask if they have a **digital ID**
